Dy Comr now explains that printed forms of statistics of Sanction having been received only a fort night ago, his future sanctions will be notified in that form. Govt regret to observe that want of printed forms is no sufficient reason for the omission to ~~submit~~ his communicate his sanctions to Govt. & that ~~no statistics on~~ manuscript forms should have been used if no forms were available. Moreover it is not explained what prevented him from submitting detailed estimates for unequal works costing Rs 200 and upwards. This is unsatisfactory. The Dy Comr is therefore requested to submit as early as practicable detailed estimates for each of the ~~six~~ unequal works costing Rs 200 and upwards and statistics of Sanction for other unequal works & prepare executed during 1891-92.
